Hello Guido

As promised here's the CD of the 1995 EmpuriaBrava **WPM**, it was ci'l: this meet that the Top Pops decided to have a "World Top Pop" and thus I was duly elected and so it began. Hopefully we will see you at the next meet in Ounkerswell UK? Inger and I although no longer jumping are looking forward to meeting a lot of old friends\_\_

Enjoy your new hobby I hear it's more dangerous than skydiving:-)

Best wishes and keep safe

Michael
